

Beginner Writers' Retreats 1

"Start writing, no matter what."
Oscar Wilde

Module 1

The objectives of the mentored retreats are the following:

- to get started on your first novel
- to learn basic writing technique
- to become confident about your writing

In this course we will:

- have discussions about writing
- have three structured lessons
- learn how to get started on that novel
- learn how to structure the novel
- get started
- share our writing with other writers

Tutor: Grahame Elliott
